

**Spencer County, Kentucky
Ordinance No. 9
Fiscal Year 2010 Series**

**An Ordinance to Amend Section 6, Sub-Section 2 of the Requirements
for Dog Control and Treatment as specified within Ordinance 2, 2008 Series**

Whereas, the Fiscal Court of Spencer County, Commonwealth of Kentucky did on the 20th day of August, 2007 adopt Ordinance No. 2 (2008 Series) to establish a dog licensing fee and procedures, and requirements for dog control and treatment; and

Whereas, Section 6, Sub-Section 2, item A now reads as follows: "This ordinance prohibits continuous chaining/tethering of dogs. If a dog is to be kept outside 24 hours a day, seven days a week, the dog will be confined in an adequate fence or enclosure no smaller than 200 square feet. Dogs must have access to shade, shelter, food and water." and

Whereas, it has become impractical for officials to enforce said minimum requirement on enclosures;

Now Therefore, Be It Ordained by the Fiscal Court of Spencer County, Commonwealth of Kentucky that the wording "no smaller than 200 square feet" be removed and Section 6, Sub-Section 2, item A will heretofore read as follows: "This ordinance prohibits continuous chaining/tethering of dogs. If a dog is to be kept outside 24 hours a day, seven days a week, the dog will be confined in an adequate fence or enclosure. Dogs must have access to shade, shelter, food and water."
